Bee Gees, Love So Right

She came on like the night and she held on tight And the world was right when she made love to me We were free She moved in like a friend , started loving me And I thought I'd found my heaven in her arms But the morning when I woke up I was here and she was gone Now I'm hanging on Maybe you can tell me how a love so right can turn out to be so wrong

Where did she go when I need her close to me And the perfect story ended at the start I thought you came forever and you came to break my heart Now I'm hanging on , on the chance that you'll come back to me

How a love so right can turn out to be so wrong , oh my darling How a love so right can turn out to be so wrong , oh my darling I could take it in my stride Start living for the moment Maybe half the things we sought were never there Simply open up our eyes and break it down to size It isn't really fair

How a love so right can turn out to be so wrong , oh my darling How a love so right can turn out to be so wrong , oh my darling How a love so right can turn out to be so wrong , oh my darling (repeat/fade)
