

Bee Gees, Melody Fair

Who is the girl with the crying face looking at millions of signs?
She knows that life is a running race,
Her face shouldn't show any line.

Melody Fair won't you comb your hair? You can be beautiful too.
Melody Fair , remember you're only a woman .
Melody Fair, remember you're only a girl. Ah...

Who is the girl at the window pane, watching the rain falling down?
Melody, life isn't like the rain ; its just like a merry go round.

Melody Fair won't you comb your hair? You can be beautiful too.
Melody Fair, remember you're only a woman.
Melody Fair, remember you're only a girl. Ah...

Who is the girl with the crying face, looking at millions of signs?
She knows that life is a running race.
Her face shouldn't show any lines.

Melody Fair won't you comb your hair? You can be beautiful too.
Melody Fair , remember you're only a woman.
Melody Fair, remember you're only a girl. Ah
