## Bee Gees, Mother And Jack

Lala......
I got a letter in this town
They're going to pull this old house down
I got a letter in this town
They're going to pull this sad house down

Mother and Jack, they went to see the Emperor Mother and Jack ,they went to see the Emperor They got no answer They got no answer Said he would think-ah , over his drink-ah About this question on this house of yours

Don't take our house, away from us Don't take our house, away from us He made Jack's poor hair turn grey He made Jack's poor hair turn grey

I got a letter in this town
They're going to pull this old house down
I got a letter in this town
They're going to see this sad house down

Mother and Jack ,they went to see the Emperor Mother and Jack ,they went to see the Emperor They got no answer They got no answer Said he would think-ah , over his drink-ah About this question on this house of yours

Don't take our house away from us Don't take our house away from us

Don't take our house away from us Lala.....
