

# Bee Gees, Mr. Natural

Burning embers.

I still remember all of those little things.

But I don't feel it so much 'cause I am so out of touch  
with my heart and it won't sing.

Rusty rainbows.

That's how the pain goes , turning me inside out .

Well , I come home at night and you are out of my sight.

Yes. I'm dying and there ain't no doubt.

Well, I'm dying and there's no way out.

Well I try try try try try

Mr. Natural (come on baby)

When I walk in the rain you won't know that I'm crying.

A smile on my face and I'm trying.

I'm trying to understand that a love that is lost can never be found again.

And you see me dance , I look like a happy man .

Just when I think I'm getting it over, an old friend I should see.

He said he knew you well , and baby I could tell .

You know he knew you more then me.

I went home laughing and inside I'm crying .

We had a special thing .

You know I loved you so much , but girl I'm so out of touch  
with my heart and it won't sing .

You know my heart just won't sing.

Well I try try try try try .

Mr. Natural ( come on baby)

When I walk in the rain you won't know that I'm crying.

A smile on my face and I'm trying.

I'm trying to understand that a love that is lost can never be found again.

And you see me dance , I look like a happy man.

Still I try try try try try .
