Bee Gees, Sea Of Smiling Faces

Yesterday was history who knows what there is gonna be when we meet again Will you smile and tell the world about me Can there be no doubt about me I was your friend

As I gaze upon a sea of smiling faces Walk amongst the glow of moonlit places The look in your eyes, to see your smile Won't bring you back to me

I remember things we planned The world would never understand but we found a way And the world of love you gave to me Each moment is a memory, whatever they say

As I gaze upon a sea of smiling faces Walk amongst the glow of moonlit places The look in your eye, to see you smile Won't bring you back to me For the look in your eye, to see your smile Won't bring you back to me

Yesterday was history who knows what there is gonna be when me meet again Will you smile and tell the world about me Can there be no doubt about me I was your friend

As I gaze upon a sea of smiling faces Walk amongst the glow of moonlit places The look in your eye, to see your smile Won't bring you back to me For the look in your eye, to see your smile Won't bring you back to me For the look(repeat lines and fade out)
