Bee Gees, Shadow Dancing

You got me looking at that heaven in your eyes I was chasing your direction I was telling you no lies And I was loving you When the words are said ,baby , I lose my head And in a world of people , there's only you and i There ain't nothing come between us in the end How can I hold you when you ain't even mine Only you can see me through I leave it up to you

Do it light, taking me through the night Shadow dancing, baby you do it right Give me more, drag me across the floor Shadow dancing, all this and nothing more

All that I need is just one moment in your arms I was chasing your affection I was doing you no harm And I was loving you Make it shine, make it rain, baby I know my way I need that sweet sensation of living in your love

I can't breath when you're away , it pulls me down You are the question and the answer am i Only you can see me through I leave it up to you

Do it light, taking me through the night Shadow dancing, baby you do it right Give me more, drag me across the floor Shadow dancing, all this and nothing more

And in this world of people there's only you and i There ain't nothing come between us in the end Ah, can I hold you when you ain't even mine Only you can see me through I leave it up to you

Do it light, taking me through the night Shadow dancing, baby you do it right Give me more, drag me across the floor Shadow dancing, all this and nothing more

(repeat last verse 2 more times and fade out)
