

# Bee Gees, Spirits (having Flown)

I never fell in love so easily  
Where the four winds blow, I carry on  
I'd like to take you where my spirit flies  
Through the empty skies, we go alone  
Never before having flown  
Faster than lightning is this heart of mine  
In the face of time, I carry on  
I'd like to take you where my rainbow ends  
Be my lover friend, we go alone  
Never before having flown  
I am your hurricane, your fire in the sun  
How long must I live in the air?  
You are my paradise, my angel on the run  
How long must I wait?  
It's the dawn of the feeling that starts from the moment you're there

You'll never know what you have done for me  
You've broken all those rules I live upon  
And I'd like to take you to my Shangri-La  
Neither here nor far away from home  
Never before having flown  
I am your hurricane, your fire in the sun  
How long must I live in the air?  
You are my paradise, my angel on the run  
How long must I wait?  
It's the dawn of the feeling that starts from the moment you're there  
I'd like to take you where my spirit flies  
Through the empty skies we go alone  
Never before having flown
