Everyone fall in love sometime  
I don't know 'bout you but it ain't a crime  
Everyone fall in love sometime  
I don't know 'bout you but it ain't a crime  
Question I ask  
Tell me what you want and what you really really wanna do?  
Tell me baby girl if your love is really true?  
Tell me what you want and what you really really wanna do?  
Tell me baby girl, hey and no have like no yo-yo  
If you really love me let it flow-flow  
And if you don't love me let me go-go  
But I think the rude boy gon' let you know-know that  
Everyone fall in love sometime  
I don't know 'bout you but it ain't a crime  
Beep, beep. the singer got the keys to the jeep, vroom  
A we pretty girl wa fi meet  
So tell me what's up before me hitting the sheets  
You see it, you see it, all 8, 9, 10
