

Beenie Man, Street Life (feat. Assia)

Yo,
sometimes you have to just be a man and apologize to your woman, ya star
The amount of thing where you put her through
Rock this!

When a girl cry cause of you
Not one ting you can say or do
Make any man go change his mind
No matter what you wanna do
First you find it hard to speak (true)
Girl straight out make a brother weak
Killing me softly every time
And all that I can be

On the street just ballin
Girls have been callin
Drop top fallin
Brothers keep rollin
Livin nothing but a street life (street life)
(Repeat)

How much times you gotta watch me cry
I don't wanna hear your apologize
Fuck all them jewels and cars
Expecially if it mean I gotta visit you behind bars
You my man I love you rich or poor (rich or poor)
We only fighting our own in this war
You my soul, I can't live without you
So don't leave me here to raise our kids without you

On the street just ballin
Girls have been callin
Drop top fallin
Brothers keep rollin
Livin nothing but a street life (street life)
(Repeat)

Do you understand the feeling when I'm feeling
When I tell you how I'm feeling
When I'm feeling that way
Can't get over how you make everything better girl
When you are around me, you bring joy to my day
Don't know what I will do without you in my life
I don't give a damn about what people wanna say
All I'm saying that (what)
This is where I'm at (at)
And I'd do anything to make you stay

Let them streets keep calling
Beenie ignoring
Too much of our soldiers have fallen
Livin nothing but a street life (street life)
(Repeat)

On the street just ballin
Girls have been callin
Drop top fallin
Brothers keep rollin
Livin nothing but a street life (street life)
(Repeat)
