

# Before Dark, Monica

M-O-N-I-C-A

Trying to take my man away from me (ooh)

M-O-N-I-C-A

She trying to take my man away from me, uh

1 - Monica, Monica, Monica, oh Monica

Stalking and hawking and jocking

And she follow ya

What she don't know

Is that I went and followed ya

Somebody gotta let her know

Monica, Monica, Monica, oh Monica

Stalking and hawking and jocking

And she follow ya

What she don't know

Is that I went and followed ya

So I'm about to let her know

First time she paged you

I let it slide, huh

But then he went behind my back

And let her spend the night

I went out of town So she thought

I caught the chicken at the crib with my nuh

They knew that they were caught

2 - What do I do? (Do)

What do I say? (Say)

How should I feel?

I'm ready to blaze

You got me ready to blaze

Repeat 1

He took my car

And went for a drive

Can't believe that he had a girl

Shotgun in my ride

How did I know that she'd been there?

I found her picture and a letter she wrote

And six strands of her hair

Repeat 2

Repeat 1

Yo I won't ever trust my man

He's a dog fa'sure

And what I'll never understand

He wants me to be his girl

And once she punched him in the face

Even tried to play me out

I can not let him get away

Cause I know what she's about

Repeat 1

La, la, la, la

La, la, la

La, la, la

La, la, la

La, la, la

La, la, la

La, la, la

La, la, la  
La, la, la  
La, la, la  
La, la, la  
La, la, la, la, la, la  
La, la, la

Repeat 1

Oh...
