

# Before You Breathe, In Your Hands

You are bigger than me  
Arms stretched out as far as I can see  
You are stronger than me  
And the weight of this world is in Your hands  
It's in Your hands and close to Your heart  
I'm in your hands and close to Your heart and Your love  
The way that You meant life to be  
In Your hands  
You are thinking of me  
Arms stretched out ready to catch me  
You are there for me  
And the cares of this world are in Your hands  
In Your hands  
In Your hands  
It's all in Your hands
