No no no no no no no no no no no theres no limit!
No no no no no no no no no no no theres no limit!
No no limits well reach for the sky!
No valley to deep no mountain to high
No no limits wont give up the fight
We do what we want and we do it with pride
Hard to the core I feel the floor
When Im on the stage yo yoll ask for more
Im on the ass I know the last
I work real hard do you like my cash
Tick tick ticka tick take your time
When Im goin Im goin for mine
Open your ears and you will hear it

No no no no no no no no no no no theres no limit!
No no limits well reach for the sky!
No valley to deep no mountain to high
No no limits wont give up the fight
We do what we want and we do it with pride
Hey yey yehehey nao nao ooh
Hey yey yehehey nao nao uh!
No limits allowed cause theres much crowd
Microphone check as I choose my rhyme
Im playing on the road; Ive got no fear
The sound for my mouth is the rap you hear
No valley too deep no mountain too high
Reach the top touch the sky!
They tried to diss me cause I sell out
Im making techno when I am proud!
No no limits well reach for the sky!
No valley to deep no maintain to high
No no limits wont give up the fight
We do what we want and we do it with pride
