

# BeFour, No Limits

Let me hear you say Yeah!

No no no no no no no no no no no theres no limit!

No no no no no no no no no no no theres no limit!

No no limits well reach for the sky!

No valley to deep no mountain to high

No no limits wont give up the fight

We do what we want and we do it with pride

Hard to the core I feel the floor

When Im on the stage yo yoll ask for more

Im on the ass I know the last

I work real hard do you like my cash

Tick tick ticka tick take your time

When Im goin Im goin for mine

Open your ears and you will hear it

I tell you this cause theres no limit!

No no no no no no no no no no no theres no limit!

No no no no no no no no no no no theres no limit!

No no limits well reach for the sky!

No valley to deep no mountain to high

No no limits wont give up the fight

We do what we want and we do it with pride

Hey yey yehehey nao nao ooh

Hey yey yehehey nao nao uh!

No limits allowed cause theres much crowd

Microphone check as I choose my rhyme

Im playing on the road; Ive got no fear

The sound for my mouth is the rap you hear

No valley too deep no mountain too high

Reach the top touch the sky!

They tried to diss me cause I sell out

Im making techno when I am proud!

No no limits well reach for the sky!

No valley to deep no maintain to high

No no limits wont give up the fight

We do what we want and we do it with pride
