the only style I play is my selfmade hits
and it kicks like that yo it really does
was it number one hell yo it really was
I got the swing the king is back in the ring
ladies throw their brass when I start to sing

can I rock it can I knock it
can I lick it can I kick it can I top it
you make me hazy vou make me crazy
and baby I dont know what I can do

We can start somethin fantastic that you never knew
forget your live in plastic when I keep my eyes on you
I cant cool down because its gettinto hot
so please baby please baby never let us stop
and it kicks like that yo it really does
was it number one hell yo it really was
I got the swing the king is back in the ring
ladies throw their brass when I start to sing

can I rock it can I knock it
can I lick it can I kick it can I top it
you make me hazy vou make me crazy
and baby I dont know what I can do

I cant sleep and I cant sing until you swing that sexy thing
and if you wanna be my girl then jump into my crazy world
and now the only part Im missin is your lovinand your kissin if you wanna be my girl then jump into
