

# Behemoth, Sermon To The Hypocrites

O, ye whose future is in other hands!  
Foul feeders! Slipped, are ye on you excrement?  
Parasites! Having the world lousy,  
Imagine ye are of significance to Heaven  
I, who enjoy my body  
(I) would rather pack with wolves  
than enter your pest - houses  
Sensation... Nutrition... Mastication... Procreation...!  
This is your blind - worm cycle

Know ye of nothing further than your own stench?  
Heaven is indifferent to your salvation or catastrophe  
The sword - trust - not salve - I bring!  
Honest was Sodom!  
Your theology is a slime - pit of gibberish become ethics  
In your world, where ignorance and deceit constitute felicity  
Everything ends miserably -  
- besmirched with fratricidal blood.
