

Behemoth, The Deathless Sun

I am nothing
Without him, nothing is
I am no one
It is he
Sol Invictvs
The deathless sun

My god is the all devouring pyre
My goddess dwells in Hadean somber tides
Burst forth from the crushing depths as Leviathan
And then descend into the bowels ov the Earth

The imperial throne is set to dominate
The powers ov ruthless zephyr forever shall reign

My god is the all consuming fire
Fated centre ov the bottomless pit
He's the void beyond any cipher
Starless night immortally lit

When the throne ov the carnal world's restrained
The powers ov ruthless zephyr forever shall reign

Let's drink to he ov the shining morn
To the lacerated yet so divine
To the sun that evermore shall rise
To my ascent To thy demise

I am nothing
Without him, nothing is
I am no one
It is he
Sol Divinvs
The deathless sun
