

Beherit, Grave Desecration

We'll cause your death
We'll kill Jesus
Rape the dead
We'll spread evil

Grave desecration, grave desecration...

Rape the whores
All night long

Grave desecration, grave desecration...

I go to the graveyard all night long
Aaaarrggghh!
I go to the graveyard ritual
I go to the graveyard ritual

Grave desecration, grave desecration...
On... Sabbath!
