

# Beherit, Hail Sathanas

On fire of darkness  
Rise a scream of hate  
Satanas want vomit  
On son of God's face  
Your eyes have wrath  
And promising a slaughter  
The angels of Lucifer  
Are ready to destroy  
Satanas  
Satanas revenge is started  
And the heaven is burning  
God angels are dead  
And the survivors are praying  
The sacred cross is breached  
And demons are smiling  
Because your lord Satan  
Raped the mother of false  
Satanas
