

# Behind Crimson Eyes, Chapter 3: Revenge I - Of

Another broken dream  
Another memory fades into the night  
I can't survive without you here.  
You took away my heart  
Forever this darkness fills my life  
This pain, your smiling  
are worlds apart

[Pre-Chorus]  
So close you eyes  
For one last time  
Just save your breathe  
and beg for this

[Chorus]  
No words can save  
And I can see your smile  
Watching over me  
Nothing can save  
Pleading over and over  
Your life is mine

Another broken dream  
The Memory is all thats left tonight  
This is how I will leave you here.  
The thought of all thats lost  
A tragedy thats bound to me for life  
This ghost your smile  
is all that remains.

So close you eyes  
For one last time  
Just say your prayers  
and beg for this

(I will have my revenge)  
Tonight will be your last.  
I'll bury you now.

One chance before you die  
(One chance)  
One word to make this right  
(One word)  
One chance to save your life  
(One chance)  
One word before I break you  
(One word)
