

# Behind Enemy Lines, The Cure

To all of you sexual deviants that have perversely lost your way  
To all of you with loved ones that have been immorally led astray  
Fear no more, have faith in us, gods soldiers are here to appease  
We'll save you from immorality by helping to rid you of this horrid disease  
Bring the gays, the lesbians and bisexuals- we've got the cure  
Bring the queers, the transsexuals, and transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick- we've got the cure  
Change your ways, ignore your instincts, repress your feelings- sin no more  
This disease can now be treated with god's help these sinners can be cured  
And traditional Christian gender roles can be forcibly restored  
But just like with alcoholics, all of our efforts can't succeed  
If they'd rather live in denial and refuse to get the help they need  
Bring the gays, the lesbians and bisexuals- we've got the cure  
Bring the queers, the transsexuals, and transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick- we've got the cure  
Change your ways, ignore your instincts, repress your feelings- sin no more  
People are not born this way like these gay rights activists suggest  
We've conducted our own impartial studies and have determined that we're correct  
It's an unnatural, corrupt behavior that threatens spirituality and health  
We can cure these sexual deviants if they're willing to help themselves  
Bring the gays, the lesbians and bisexuals- we've got the cure  
Bring the queers, the transsexuals, and transgendereds- we've got the cure  
Bring the sinful, bring the immoral, bring the sick- we've got the cure  
Change your ways, ignore your instincts, repress your feelings- sin no more
