

# Bejelit, Bloodsign

From a mad kingdom I came  
Dragonslayer in my hand  
Under this bloody sky  
I've lost my human life  
I'll fight my enemies without fears  
See the sun on my hungry blade  
While I cry my friends  
Swear against the gods  
Taking my revenge  
Fire burns my soul  
The pain is running on this earth  
Sunlight never kills the dark  
I'll kill you  
God's Hand  
I'll hate you  
'Till the end of time  
Hate will guide my path  
Love brings me madness  
My bleeding bloodsign  
I smell death is near  
I'll fight my enemies without fears  
Feel the song of my hungry blade  
The pain is running on this earth  
Sunlight never kills the dark  
From a mad kingdom I came  
Dragonslayer in my hand  
Under this bloody sky  
I've lost my human life  
From a mad kingdom I came  
Dragonslayer in my hand  
Under this bloody sky  
I've lost my human life
