Bekay, A Journey

Half the world is sleeping, Half the world's awake Half can hear their hearts beat Half just hear them break I am but a traveler, in most every way Ask me what you want...to know What a journey it has been And the end is not in sight But the stars are out tonight And they're bound to guide my way When they're shining on my life I can see a better day I won't let the darkness in, What a journey it has been. I have been to sorrow I have been to bliss Where i'll be tomorrow, I can only guess Through the darkest desert Through the deepest snow, Forward always forward, i go... What a journey it has been And the end is not in sight But the stars are out tonight And they're bound to guide my way When they're shining on my life I can see a better day I won't let the darkness in, What a journey it has been... Forward, always forward... Onward, always up... Catching every drop of hope In my empty cup What a journey it has been And the end is not in sight But the stars are out tonight And they're bound to guide my way When they're shining on my life I can see a better day I won't let the darkness in, What a journey it has been...

What a journey it has been...
