

# Bel Canto, All I Want To Do

Who said that one must treasure well good memories  
When good memories are those to bring me down.  
And it's all because of you for after all this time still being on my mind.  
'Cause all I want to do is being close to you.  
To hold you by the hand and make you understand.  
So another winter's here again...  
Frosty windows are blocking my view.  
I have refurnished for the umpteenth time.  
Oh, but all I want to do is being close to you.  
To hold you by the hand and make you understand.  
Oh, we're losing so much time...  
You're always on my mind.  
No, I cannot see this through.  
I long so much for you.  
My heart gets broken every little now and then...  
Why, tell me why, wonder why, tell me why I, you and I, you and I said goodbye.  
'Cause all I want to do is being close to you.  
To hold you by the hand and make you understand.  
We're losing so much time...  
You're always on my mind.  
Oh, my days are pretty blue.  
I need to be with you... that's all I want to do...
