

Bel Canto, Capiro

Capiro
Sera' la candidez
Sera' la nina
La historia pasa

Well. I'll love my life
Until the very hour
When I'll be broken
Into the cold

Sera' la candidez, la historia pasa
And another fall
Y en el jardin, yeah
It will be told

Someone who'll end it all
Someone who'll fall
Someone who'll end it all
Somebody's fault

Y en jardin, yeah
