

# Bel Canto, Continuum

(Spanish)

Embrujo, bajo el sol,  
Cuando llueve y sube el calor  
Mojando la piel

Ven aqui, junto a mi,  
Mueve el aire y empuja el agua  
Apaga ese rumor

Alli no te detienes,  
Giras y siempre te mueves  
Una maldicion?

Y te obliga a bailar  
Ay ay y no puedes parar  
Es un ritmo oculto, magico  
Continuum

Embrujo, bajo el sol  
Cuando llueve y aprieta el calor  
Mojando mi piel

Ven aqui ( ven aqui )  
Junto a mi ( junto a mi )  
Mueve el aire y empuja el agua  
Apaga ese rumor

Alli no te detienes  
Corres I siempre te mueves  
Una maldicion ?

Mama, ma, mama, mama  
Ay, ay, y no puedes parar  
En un ritmo oculto, magico  
Continuum  
Si...

Es un ritmo oculto, magico  
Continuum  
Si...  
Continuum, continuum, continuum ...  
Ritmo oculto, ritmo.

---

(English Translation)

Bewitchment under the sun  
When it rains and the heat goes up (1)  
Getting the skin wet

Move the air and push the water  
Come here, beside me  
End that rumour (2)

There you don't stop  
You spin and always move  
A curse?

And it forces you to dance  
Oh!, Oh!, and you can't stop  
It's a hidden, magic rhythm  
Continually

Bewitchment under the sun  
When it rains and the heat tightens  
Getting my skin wet

Come here, beside me  
Move the air and push the water  
End that rumour

There you don't stop  
You run and never stop  
A curse?

Mama, ma, mama, mama  
Oh, and you can't stop  
It's a hidden, magic rhythm  
Continually  
Yes...

It's a hidden, magic rhythm  
Continually  
Yes...  
Continually, continually, continually ...  
magic rhythm, rhythm.

---

(1) i.e. it gets hotter.

(2) Literally, "turn that rumour off." In Spanish "rumor" can also be the distant
