If you wanna join yourself come far a me  
If you wanna lose your stress come far a me  
Come up run my steps and follow me  
And go right to left it just to resist  
Don&quot;t waste your time that it&quot;s a good time  
Do it tonight because it&quot;s bad time  
To gave you some pleasure it&quot;s my leasure  
Ref.

Than I come to your party I&quot;ve got to dance now  
I think it&quot;s really right to give you what you want  
Come on, move on a dancefloor all night, all night

Dance, tonight the club is mine  
And mistery joy play my soul  
Than you can flow on my love
