

# Belasco, Lawman

lawman took him away  
before i could do it my way  
i hope that they beat him up  
i hope they do it good  
i hear that they do that  
in this neighbourhood  
lawman put him away  
for what i don't know  
nor do they  
they say he's a "reformed man";  
you shouldn't have a go  
they say that i'm an honest man  
it shows you just don't know  
well it's harder now  
so much harder now  
to try and give  
and try and let it go  
and i'm older now  
so much older now  
i can't forgive  
i can't let go  
lawman let him walk free  
to where he has gone don't bother me  
i hope that he's happy  
in his small little world  
i just want him beat up and buried in a hole  
well it's harder now  
so much harder now  
to try and give  
and try and let it go  
and i'm older now  
so much older now  
i can't forgive  
i can't let go  
don't say you're sorry  
don't say you're sorry  
don't say you're sorry  
it's wasted on me  
it's wasted on me  
it's wasted on me
