

Believable Picnic, Goodbye Girl

She's the kind of girl who gets attention.
She's the kind of girl who's after you.
She'll do a lot of things that I can't mention.
Just a way to get her hooks in you.

You're swimming with the sharks
She'll pull you under
She's destruction in an evening gown
If you see her, better turn around

Good-bye girl
So sweet and deceiving
She'll promise you that she's gonna stay
Good-bye girl
She's already leaving
She comes and she goes
She's a good-bye girl

Good-bye girl
Good-bye girl
Good-bye girl

She's an horse lick
She's a honey dripper
And her middle name is Babylon and on and on
Shall under read like number seven
She sings her psiren song all over town
She'll sink your ship and drag you down

Good by girl
So sweet and deceiving
She'll promise you that she's gonna stay
Good-bye girl
She's already leaving
She comes and she goes
She's a good-bye girl

Good-bye girl
Good-bye girl
Good-bye girl

So sweet and deceiving
She'll promise you that she's gonna stay
Good-bye girl
She's already leaving
She comes and she goes
She's a good-bye girl
