

Believe, I Believe

Believe

Power of God

I Believe

I must be dreaming, but my eyes are still opened wide.

Feels like I'm floating, it's too wonderful to describe.

I was living darkness until Jesus came by and rescued me.

His touch held so much power, He opened my eyes and now I can see.

Chorus

Because I believed everything that He said was true.

Yes I believe, just as sure as the sky is blue.

He is the King, and the Master of everything.

Jesus is King, Jesus is King.

I'm walking a brand new walk, sky's the limit that I can reach.

I was a crippled man, until I heard my Jesus preach.

I was burdened by sin, I could not even stand on my two feet.

He stretched out His hand and He lifted me up, He has set me free.

Chorus

So, bow down before Him, then shout out and praise Him...

'Cause Jesus is coming, my Jesus is coming.

Open your hearts and lift hands up to Heaven...

'Cause Jesus is coming, my Jesus is coming.

The skies will split open, the earth start to quake...

The trumpet will sound when my Jesus is coming again!

Chorus
