

Believer, I Believe- American Idol 3

Have you ever reached your rainbows end
Did you find your pot of gold
Ever catch a shooting star
Tell me how high did you soar
Ever felt like you were dreaming,
just to find that you're awake
'Cause the magic that surrounds you can lift you up
and guide you on your way

I can see it in the stars across the sky
I dreamt a hundred thousand dreams before,
Now I finally realize
See I've waited all my life
For this moment to arrive
And finally...yeah,
I believe in the impossible

If I reach deep within my heart..oh yeah,
Overcoming the obstacles
Won't let this dream fall apart
You see I start to be the very best
Shine my light for all to see
'Cause anything is possible
When you believe

I can see it in the stars across the sky (Yeah)
Dreamt a hundred thousand dreams before
Now I finally realize (Now I finally realize)
I've waited all my life
For this moment to arrive
Finally, I believe

Yes I believe (ohh yeah)
Love keeps lifting me higher (lifting me higher)
Lifting me higher
Love keeps lifting, love keeps lifting me high
Higher, higher, higher, higher
I said love keeps lifting me higher
Higher
