

Belinda Carlise, Big Big Love

Climbing The Walls
Hungry For Something That Satisfies My Soul
I Don't Want Much
Just When It Comes To Love I Just Want It All
And I'm Out Tryin' To Find It
I Want A Feeling So Powerful It Brings Me To My Knees
I Wanna Almost Drown 'cuz I'm In So Deep
That's What I Need

I'm Looking For A Big Big Love
That Takes Up All The Space In My Heart
I'm Looking For A Big Big Love
The Kind That Can Tear Me Apart
And I'm Gonna Find It, I'm Gonna Find It
That Big Big Love, Big Big Love
Big Big Love

I Want A Love That Keeps Me Up Nights
Gives Me Butterflies All Day
I Want Someone To Mess/fuck Up My Life With
Love That Drives Me Insane
So, Where, Where Are You Hiding
All I Want Is Somebody Who Is All I Think About
Someone Who's Someone I Can't Live Without
I Want It Now

What I Need
Is Someone To Come And Knock Me Off My Feet
Jump Off The Cliff And Dive Into Something Deep
What I, What I Mean
I'm Looking For Someone
Who's Looking For Someone
Who's Looking For A Big Big Love
That Takes Up All The Space In My Heart
I'm Looking For A Big Big Love
The Kind That Can Tear Me Apart
And I'm Gonna Find It
I'm Gonna Find It, I'm Gonna Find It
That Big Big Love, Big Big Love
Big Big Love...
