

# Belinda Carlisle, Do you feel like i feel

I don't know how you do what you do  
I'm so shaken by you baby  
I can barely breath  
Everytime I see you  
I just want to break down and cry  
No one's ever moved me  
Just the way you move me inside  
Do you feel like I feel  
Or am I all alone  
Is this love really real  
Baby I've got to know  
When you held me last night  
Were your words really real  
Are you just using me  
Or do you feel like I feel  
Do you feel like I feel  
From that moment that I met you baby  
I just knew  
It was so easy for me just to be with you  
When the sun comes shining  
Will you still be lying by my side  
Tell me if I'm dreaming  
Is there deeper meaning  
For me in your life  
Do you feel like I feel  
Or am I all alone  
Is this love really real  
Baby I've got to know  
When you held me last night  
Were your words really real  
Are you just using me  
Or do you feel like I feel  
Do you feel like I feel  
I'm the one who wants you  
I'm the one who needs you  
I'm the one who won't let go  
You've got all the power  
I'm dying by the hour  
Come on baby let me know  
When you held me last night were your words really real  
God I'm so much in love  
Do you feel like I feel, like I feel, like I feel
