

Belinda Carlisle, Gotta Get To You

Here I go again
Looking to you, you pass me by
Go home and pretend
There's no one else just you and I

To be holding you
Touching you
'Cause I'm dreaming about you
But dreams aren't enough

Gotta get to you
Catch your eye
Gotta get to you
If only I could tell you why

I gotta get to you
Make you see
gotta get to you
If only you'd come 'round to me

See you everyday
You smile my way, light sparks inside
I need the words to say
To open up this heart of mine

Here we go again
So close to you, the moment's now
The chance is wasted when
I wait too long and you slip out
