Belinda Carlisle, I Feel Free

I feel free I feel free

Feel when I dance with you We move like the sea You, you're all I want to know I feel free I feel free I feel free

I can walk down the street but there's no one there Though the pavement's one huge crowd I can drive down the road but my eyes don't see Though my mind wants to cry out loud Yea my mind wants to cry out loud I feel free I feel free I feel free

As far as I can see Ceiling is the sky You're the sun and as you shine on me I feel free I feel free I feel free

I feel free I feel free
