

# Belinda Carlisle, I Wouldn't Be Here If I Didn't Love

Traffic lights shining in my eyes  
Through the pouring rain  
We had a terrible fight tonight  
And I can't stand the pain  
I've been searching for hours and hours  
up and down these lonely streets  
I feel scared and alone and so incomplete  
I wouldn't be here if I didn't love you  
I wouldn't be here if I didn't care  
I wouldn't waste your time or my time in a love that's going nowhere

It's been building up for quite sometime  
Something had to break  
But to just end it all like this  
Would be the worst mistake  
I know I don't wanna live without you  
I know exactly what you mean to me  
And I believe that inside, we still hold the key

I wouldn't be here if I didn't love you  
I wouldn't be here if I didn't care  
I wouldn't waste your time or my time in a love that's going nowhere

I wouldn't be here if I didn't love you  
Freezing cold in the pouring rain  
All I wanna do is find you  
Let me set you home again

Someday we gonna look back on this  
Throw away the cross we had to bear  
We'll have a laugh and we'll have a kiss  
We'll say all is fair

I wouldn't be here if I didn't love you  
I wouldn't be here if I didn't care  
I wouldn't waste your life or my life in a love that's going nowhere

I wouldn't be here baby  
(I wouldn't be here if I didn't love you)  
I wouldn't be here baby  
(I wouldn't be here if I didn't love you)
