

# Belinda, Takes One To Know One

Could've been so easy  
Could've been a friendly phase  
Could've been simple  
Could have it, should have  
But that's not the case

Tell me who are you  
To be calling me names  
You're making yourself the fool  
Ain't that a shame

You can call me  
liar, cheater, loser  
Takes one to know one  
(takes one to know one)  
You can say I'm bitter,  
call me, quitter  
Takes one to know one  
(takes one to know one)  
Yeah, takes one to know one  
And I know you

Now you're pointing fingers and  
The point is lost on me  
Do you hate to see me happy?  
Does it fill you with jealousy?

What'cha trying to prove  
By putting me down?  
Sorry, the joke's on you  
Like tears of a clown

You can call me  
liar, cheater, loser  
Takes one to know one  
(takes one to know one)  
You can say I'm bitter,  
call me, quitter  
Takes one to know one  
(takes one to know one)  
Yeah, takes one to know one  
Yeah, takes one to know one  
And I know you

I know you  
Yeah

You can call me  
liar , cheater, loser  
Takes one to know one  
(takes one to know one)  
You can say I'm bitter,  
call me, quitter
