(feat. Shaheed the Poster Boy, Shamari, Jak Frawst)

[Shaheed the Poster Boy]

Uh, uh, uh,  
I'm a star in the hood, but I'm big in England  
See me in the club with but kid is minglin  
How you mad at me when your whiz is minglin  
Two shots in your stomach now your ribs is tinglin  
J got extra loot  
If I drop the top then it come with a extra roof  
Shaheed, top-dollar - low-drop holla  
Here come Rick, drop the beat Rocwilder (Aight!)

[Ricky Bell]

Shorties, they be feelin me and dreamin of this life I lead  
Cardier and caviar, trips around the world  
Can't nobody fuck with me, cuz baby this is how we do  
Ladies lift them thighs for me, I'm about to get into you!

[Shamari]

All my ladies get their money (yeah)  
Cuz these niggaz want their honey (uh-huh)  
If you want it keep it comin (yeah)  
Come on (Come on) Come on (Come on)

[Hook x2: Jak Frawst]

Shorties be lovin it, niggaz be bumpin it  
We got the hot shit, y'all not touchin it  
To all my real playaz livin it up  
To all my live shorties hot and wet givin it up (Aight!)

[Ricky Bell]

Money you ain't really ballin that's all them bills I paid  
Ladies shake it, get the cash - Holla if you feel it maid! (Aight!)  
All my playaz wave them dollars (Come on)  
All my ladies get them dollars (Come on)  
If your horny keep it true - ya gotta do whatcha gotta do!

[Shamari]

All my ladies get their money (Uh-huh)  
Cuz these niggaz want their honey (BBD)  
If you want it keep it comin (OK)  
Come on (Uh-huh) Come on (Uh-huh)

[Mike Bivins]

Ron don't kiss 'em and Rick don't miss 'em  
And Mike just twist 'em and diss 'em  
Shorties scan-do-lous, try to get fifty grand from us  
You ain't fam to us - just a one night stand to us  
Mike Biv on the come up  
When I walk in the club all the gold diggers run up  
Sit in the back where the ladies be  
I ain't trick no dough since "A-B-C" (Aight!)

[Hook x2: Jak Frawst]

[Ronnie DeVoe]

If the Voe's in the club then you know my boys in  
We 'bout to kill the charts like we did with "Poison"  
Livin on the road is the life I like  
I'm kinda tall but my money 'bout twice my height (Aight!)  
Sweetheart I'ma chill so slide with Ricky  
Cristal by the case, two dimes of sticky  
If ya boo is missin, then ya crew should listen
