## Bell Biv DeVoe, When Will I See You Smile Agair

I'm so sorry, baby I never meant to hurt you Please forgive me

La da da La da da da da da da La da da da da da da da da oh ho

Tears I see drop from your eyes Tell me why you cry Guilt I feel when you look at me Did I let you down

Girl, you see that I I apologize Tell me what to do To get through to you

Girl, it's not the same I know I was to blame Just tell me when will I See you smile again

Tell me when will I see you smile again Cause I know I messed up, baby (Oh) And I know you're fed up (Ooh), sugar (Hey, hey)

Tell me when will I see you smile again (Oh, oh, oh) Cause I know I messed up, baby And I know you're fed up, sugar

Promises I know I made many times before And I broke each one of them But I had to learn over and over again Don't hurt the one you love

Girl, you see that I I apologize Tell me what to do To get through to you

Girl, it's not the same I know I was to blame Just tell me when will I See you smile again

Tell me when will I see you smile again Cause I know I messed up, baby And I know you're fed up (Oh), sugar (Hey, hey)

Tell me when will I see you smile again Cause I know I messed up, baby And I know you're fed up, sugar

Look, baby Listen Please forgive me for all the wrong I've done You see, I just can't understand Why I keep making this same kind of mistake Over and over again But there's one question that remains in the back of my mind now And that is When will I see you smile again Tell me when will I see you smile again (Maybe we can talk it over) Cause I know I messed up, baby (Maybe we can work it out) And I know you're fed up, sugar

Tell me when will I see you smile again Cause I know I messed up, baby And I know you're fed up, sugar (Is there something I can do, hey, hey, hey, hey)

Tell me when will I (Oh) see you smile (Ooh) again Cause I know I messed up, baby And I know you're fed up, sugar

Tell me when will I see you smile again Cause I know I messed up, baby
