

Bell Book and Candle, Rhapsody in blue

Anyway - I see ya
anyday - I wanna
hear you say, you say
you are my rhapsody in blue
anyway - I need ya
anyday - I hold ya
wanna stay and feel
you are my rhapsody in blue
see me turn away from you now
see me turn away from you now
see me turn away from you now
and feel the rhapsody in blue
all the way - I've come to
wanna play - and run to
hear you say, you say
you are my rhapsody in blue
see me turn away from you now ...
all the way - I've come to
wanna play - and run to
hear you say, you say
you are my rhapsody in blue
