

Bell Book and Candle, Younger

High and low and all the time you
hide away from me
find love in someones heart;
go try to reach ...
you're so much younger than you feel today
ignore the feeling
can't you see that I care
I know, you're
I know, you're
I know, you're so much younger
lie up until the morning comes to you
ride out the storm
I'm gonna see you through
you're so much younger ...
