

Belladonna, Ghost

I have seen a Ghost
A ghastly, ghoulish Dame
Astray on astral planes
Alone
I have seen a Ghost
A maiden misty-eyed
So silently she glides
Alone
Alone
Lonely forevermore
Alone
I have seen a Ghost
She trembled and her tears
Betrayed a billion years
Alone
Alone
Lonely forevermore
Alone
I have seen a Ghost
And thus she spoke to me:
Once I was like thee
Alone
I have seen a Ghost
Then I turned the lights on
I looked around - I was
Alone
