

Belladonna, Ghost

I have seen a Ghost
A ghastly, ghoulish Dame
Astray on astral planes
Alone

I have seen a Ghost
A maiden misty-eyed
So silently she glides

Alone

Alone

Lonely forevermore

Alone

I have seen a Ghost
She trembled and her tears
Betrayed a billion years

Alone

Alone

Lonely forevermore

Alone

I have seen a Ghost
And thus she spoke to me:
Once I was like thee

Alone

I have seen a Ghost
Then I turned the lights on
I looked around - I was

Alone
