

# Belle And Sebastian, If You're Feeling Sinister

Anthony walked to his death because he thought he'd never feel this way again  
If he goes back to the house then things would go from bad to worse, what could he do?  
He wants to remember things exactly as he left them on that funny day  
And if there is something else beyond, he isn't scared because  
It's bound to be less boring than today  
It's bound to be less boring than tomorrow

Hilary walked to her death because she couldn't think of anything to say  
Everybody thought that she was boring, so they never listened anyway  
Nobody was really saying anything of interest, she fell asleep  
She was into S&M and bible studies  
Not everyone's cup of tea she would admit to me  
Her cup of tea, she would admit to no one  
Her cup of tea, she would admit to me  
Oh but her cup of tea, she would admit to no one

Hilary went to the Catholic Church because she wanted information  
The vicar, or whatever, took her to one side and gave her confirmation  
Saint Theresa's calling her, the church up on the hill is looking lovely  
But it doesn't interest, the only things she wants to know is  
How and why and when and where to go  
How and why and when and where to follow  
How and why and when and where to go  
How and why and when and where to follow

But if you are feeling sinister  
Go off and see a minister  
He'll try in vain to take away the pain of being a hopeless unbeliever  
la la la la la la

When she got back, her spirituality was thrown into confusion  
So she got a special deal on renting  
From the man at Rediffusion  
"Look at me! I'm on TV  
It makes up for the shortcomings of being poor  
Now I'm in a million pieces", picked up for deliberation  
By the people listening at home  
By the people watching on the telly  
By the people listening at home  
By the people watching on the telly

But if you are feeling sinister  
Go off and see a minister  
He'll try in vain to take away the pain of being a hopeless unbeliever  
la la la la la la la  
la la la la la la la  
But if you are feeling sinister  
Go off and see a minister  
Chances are you'll probably feel better  
If you stayed and played with yourself
