Belle And Sebastian, There's Too Much Love

I could hang about and burn my fingers I've been hanging out here waiting for something to start You think I'm faultless to a 't' My manner set impeccably But underneath I am the same as you

I could dance all night like I'm a soul boy But I know I'd rather drag myself across the dance floor I feel like dancing on my own Where no one knows me, and where I Can cause offence just by the way I look

And when I come to blows When I am numbering my foes Just hope that you are on my side my dear

But it's best to finish as it started With my face head down just staring at the brown formica It's safer not to look around I can't hide my feelings from you now There's too much love to go around these days

You say I've got another face That's not a fault of mine these days I'm brutal, honest and afraid of you

It's safer not to look around I can't hide my feelings from you now There's too much love to go around these days

You say I've got another face That's not a fault of mine these days I'm brutal, honest and afraid of you
