

Belle Perez, Don't Give Up On Love

Don' give up on love
Don't give up on love
Don't give up believing in yourself
(Don't give up don't give up no don't give up')
My heart belongs to you

I feel there's something going on
For lately you don't smile
The way you used to smile at life before
Why don't you turn around and see
There will come a day when you wake up
And you feel free

Refrein:
Don't give up on love don't give up believing in yourself
You are the only one who can make your dreams comer true
Don't you walk away listen what I've got to say to you
You are the only one to make your dreams come true
And when they do'
My heart belongs to you

I'm sure there's something deep inside
You know the reason why
Things are looking better all the time
You could be happy just like me
There will come a day
When you wake up and you agree

Refrein
When I look into your eyes
I think you know by now
My heart belongs to you

Refrein
My heart belongs to you

(my heart belongs to you, my heart belongs to you,')
