

Belle Perez, Honeybee

Maybe I'm too shy now
I don't know what to do

I see a world so full of colors
Since I met you boy
You're like a rainbow
In a starlet sky
Listen to your heart
You are the reason
Why I come alive
If you'd only touch me,
Baby, my, oh my

Maybe I'm to shy now
Don't know what to do
I only wanna let you know
I'm so in love with you

Hey! Can't you see?
Honeybee
That's what you are to me
I wanna follow you
Wherever you go
Gee! Fantasy!
I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Love is a miracle
I see it in your eyes
They're shining
You got me walking
In a golden sky
I could dance on clouds
And face the world
If I could touch your smile
But you don't even see me
Baby, why, oh why

Maybe I'm to shy now
I don't know what to do
I only wanna let you know
I'm so in love with you

Hey! Can't you see?
Honeybee
That's what you are to me
I wanna follow you
Wherever you go
Gee! Fantasy!
I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Hey! Can't you see?
Honeybee
That's what you are to me
I wanna follow you
Wherever you go
Gee! Fantasy!
I wanna be
The one to set you free

I'm so in love with you
If you'd only know

Wanna wrap my arms around you
Wanna wrap my arms around you
Wanna wrap my arms around you
Never let you go.

Wanna wrap my arms around you
Wanna wrap my arms around you
Wanna wrap my arms around you
Never let you go.

Hey! Can't you see?
Honeybee
That's what you are to me
I wanna follow you
Wherever you go
Gee! Fantasy!
I wanna be
The one to set you free
I'm so in love with you
If you'd only know

Hey! Can't you see?
Honeybee
That's what you are to me
I wanna follow you
Wherever you go
Gee! Fantasy!
I wanna be
The one to set you free
I'm so in love with you
If you'd only know
