

# Belle Perez, Me And You

There's sunshine in the music  
There's sunshine in the music

Me and you and summertime blue  
Singin' hey, na-na, ho, na-na, hey, na-na, ho

Hey, na-na, ho, na-na, hey, na-na, ho  
Hey, na-na, ho, na-na, hey, na-na, ho

From the moment that we met, oh, girl, I can't forget  
The way you smile, oh, no  
Let me tell you how it feels to fall in love head over  
heels  
I like your style

Me and you and summertime blue  
With your lovey dovey sunny funny face, I love you  
Me and you and summertime blue  
Singin' hey, na-na, ho, na-na, hey, na-na, ho

Hey, na-na, ho, na-na, hey, na-na, ho  
Hey, na-na, ho, na-na, hey, na-na, ho

Let me take you to the sea, I wanna make love with  
you, baby  
All night long, oh, yeah  
Let your body flow, I love you so  
This can't be wrong

Me and you and summertime blue  
With your lovey dovey sunny funny face, I love you  
Me and you and summertime blue  
Singin' hey, na-na, ho, na-na, hey, na-na, ho

Hey, na-na, ho, na-na, hey, na-na, ho  
Hey, na-na, ho, na-na, hey, na-na, ho

Me and you and summertime blue  
With your lovey dovey sunny funny face, I love you  
Me and you and summertime blue  
Singin' hey, na-na, ho, na-na, hey, na-na, ho
