

Belle Perez, You Make Me Feel So Good (The O

I came a long long way to show you how I feel today
And now I don't know how to start it's what you do to me
This state of my emergency straight from the bottom of my heart
You're the one and only guy who can really get me high

Refrein:

You make me feel so good so good
Like I knew you would ooh la la la yeah
You make me feel so good so good
Like I knew you would ooh la la la yeah

The way you look at me could be my opportunity
The one I've waited for for so long forever happiness
Depending on your sweet caress Baby with you I can't go wrong
You take the limit to the sky I didn't know that I could fly

Refrein

The time has come to let my feelings show
Ain't it funny that my heart just told you so
Na na na na na na na na na na na na na na na na
Na na na na na na na na na na na na na na na
