

Belle & Sebastian, I Don't Know What You See In

Did you listen to my prayers?
'Cause there's something in the air
And your love is all I need
For your love is true indeed

I've been looking, I've looking down
And I don't know what I'm thinkin' bout
You were standing right in front of me
And it only took a moment to see

I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up
I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up

Did you listen to my prayers?
'Cause there's something in the air
And your love is all I need
For your love is true indeed

I've been looking, I've looking out
And there's a million faces in the crowd
But you chose to hold your gaze on me
And it only took a moment to see

I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up
I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up

Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada

I been lookin' up and lookin' down
And I don't know what I'm thinkin' 'bout
You were standing right in front of me
And it only took a moment to see

I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up
I don't know which way to be
I don't know if it's enough
I don't know what you see in me
But I know I'm not 'bout to give you up

Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada
Labadee, ladabadee, ladabadee, ladabada

I don't know which way to be
I don't know what you see in me

I don't know which way to be
I don't know what you see in me
