

# Belle & Sebastian, I Don't Love Anyone

I don't love anyone  
You're not listening  
You're playing with something  
You're playing with yourself

I don't love anyone  
You're not listening even now  
You're playing with someone  
You're playing with someone else

And if there's one thing that i learned when i was a child  
It's to take a hiding

I don't love anything  
Not even christmas  
Especially not that  
I don't love anything

No, i don't love anyone  
Maybe my sister  
Maybe my baby brother too, yeah  
I don't love anyone

But if there's one thing that i learned when i was still a child  
It's to take a hiding  
Yeah if there's one thing that i learned when i was still at school  
It's to be alone

Out in the street today  
The kids are playing, having fun  
I pass them by i'm not a kid, no  
I don't love anyone

I met a man today  
He told me something pretty strange  
There's always somebody saying something  
He said, "the world is as soft as lace."

But i don't love anyone
